

# JULIA CARDWELL

✉ jmc card@email.unc.edu 🌐 <https://jucardwell.github.io> Updated 4/2026

## CURRENT POSITION

---

**Teaching Assistant Professor** Jan 2025 –

Department of Geography & Environment  
*University of North Carolina at Chapel Hill*

**Masters of Applied Data Science Lead Faculty** Jan 2026 –

School of Data & Information Sciences  
*University of North Carolina at Chapel Hill*

## EDUCATION

---

**Ph.D., Geography & Environment** Dec 2024

*University of North Carolina at Chapel Hill*

**Dissertation:** Navigating Disruptions: Examining Weather-Induced Road Closures and Structural Vulnerabilities in North Carolina's Road Network

**Committee:** Charles Konrad (co-advisor), Paul Delamater (co-advisor), Conghe Song, Nikhil Kaza, Chris Fuhrmann

**M.A., Geography** Dec 2021

*University of North Carolina at Chapel Hill*

**Thesis:** Trends in Recovery Aid Concentration after Hurricane Florence in North Carolina

**Committee:** Charles Konrad (advisor), Paul Delamater, Conghe Song

**B.A., Environmental Studies** May 2019

*Davidson College*

*With Honors, Magna Cum Laude*

Data Science Minor

**Thesis:** Flooding and Floodplain Management as Part of the Waterscape: Flows of Water and Power in Charlotte, North Carolina

**Advisor:** Fuji Lozada

## TEACHING EXPERIENCE

---

**Geospatial Technologies, Maps, and Society (GEOG115)**

Fall 2026, Spring 2026, Fall 2025, Spring 2025

**Introduction to Spatial Data Science (GEOG215)**

Spring 2026, Summer 2024, Summer 2023

**Geographic Information Science (GEOG370)**

Fall 2026, Fall 2025

**Quantitative Methods in Geography (GEOG391)**

Summer 2026, Spring 2026

**Principles of Geographic Information Systems (GEOG491)**

Spring 2025

## Geospatial Analysis with Google Earth Engine (GEOG567)

Fall 2026

## Scaling Up Geospatial Analysis (GEOG586)

Spring 2027

## MENTORSHIP

---

### Summer Undergraduate Research Fellowship Faculty Advisor

Phillip Sparling (Geography & Environment, Summer 2026)

### Undergraduate Honors Thesis Advisor

Adam Eligator (Geospatial Data Science, 2026-2027)

Caroline Tintinger (Geography & Environment, 2025-2026)

### Undergraduate Honors Thesis Committee Member

Valerie Scull (Geography & Environment, 2025)

### Doctoral Committee Member

Sarah Ulrich (Geography & Environment, 2025-2027)

## RESEARCH EXPERIENCE

---

### Southeast Regional Climate Center

*Aug 2020 – Dec 2024*

*University of North Carolina at Chapel Hill*

- Contributed to a wide variety of research projects, including a high resolution extreme wind climatology, several tornadic vulnerability projects, and extreme heat vulnerability work
- Performed web development and data curation and analysis for a public-facing hazards dashboard
- Supervised and assisted undergraduate researchers

### Department of Geography & Environment (Paul Delamater) *May 2023 – Dec 2024*

*University of North Carolina at Chapel Hill*

- Collaborated on grant provided by the Carolina Population Center to analyze impacts of weather-related road closures on hospital access

### Department of City and Regional Planning (Nikhil Kaza) *Jan 2024 – Aug 2024*

*University of North Carolina at Chapel Hill*

- Utilized an improved shape compactness metric to analyze temporal change in U.S. metro counties

### The Odum Institute for Research in Social Science

*May 2023 – Dec 2024*

*University of North Carolina at Chapel Hill*

- Reviewed data and code for manuscripts accepted at various political science journals for adherence to replication standards
- Completed verification reports to offer feedback to authors on identified problems
- Advised verification team on strategies for verifying manuscripts that utilize GIS technology

### Data-Driven EnviroLab, Department of Public Policy

*Jan 2021 – Dec 2021*

*University of North Carolina at Chapel Hill*

- Contributed to modeling and analysis of micro-scale heat data collected by citizen scientists
- Processed and analyzed dozens of remotely sensed products to consider the impact of Chinese investment on land use change in Southeast Asia

## PEER REVIEWED PAPERS

---

Davis, R., Delaar, G., Notari, C., McCarrick, M., Sims, P., Ruggles, J., **Cardwell, J.**, Konrad, C., & Fuhrmann, C. (2026). Diurnal temperature range: A climatological primer for health researchers *PLoS One*, 21(7), e0352866.

**Cardwell, J.**, Delamater, P. L., & Konrad, C. E. (2026). A population-based, demand-aware framework for measuring structural road network redundancy. *Journal of Transport Geography*, 131, 104569.

Sugg, M., Blackburn, C., Ryan, S., **Cardwell, J.**, Gohlke, J., & Runkle, J. (2025). Rural-Urban Disparities in Helene's Disaster Assistance in Western North Carolina. *Journal of the Appalachian Institute for Health and Wellness*.

Wang, X., Johnson, E., Many, D., **Cardwell, J.**, & Hsu, A. (2025). One Belt, Many Roads: Investigating China's Foreign Investment and Land-use Impacts in Southeast Asia. *PLOS Sustainability and Transformation*, 4(8), e0000194.

**Cardwell, J.**, Delamater, P. L., & Konrad, C. E. (2024). Impacts of weather-related road closures on daily habitual travel in North Carolina. *Journal of Transport Geography*, 121, 104043.

**Cardwell, J.**, & Cowan, K. N. (2023). Local news sentiment towards FEMA recovery efforts after Hurricane Florence in North Carolina. *Disasters*, 47(4), 1025–1046.

**Cardwell, J.** (2023). Community perceptions of a floodplain buyout program in Charlotte, North Carolina. *Natural Hazards*, 115(3), 2141–2160.

**Cardwell, J.**, & Konrad, C. E. (2023). Trends in recovery aid concentration following Hurricane Florence in North Carolina: Exploring the role of physical damage, community vulnerability, and Hurricane Matthew. *Environmental Hazards*, 22(2), 177–199.

**Cardwell, J.** (2022). Disruption to EMS service during flood scenarios in Western North Carolina. *Journal of Rural Social Science*, 37(3), 6.

**Cardwell, J.** (2022). Examining the shifting role of the human in disaster studies. *Journal of the Bulgarian Geographical Society*, 46, 51–55.

**Cardwell, J.** (2021). Trends in flood insurance behavior following hurricanes in North Carolina. *North Carolina Geographer*, 20, 2–12.

## OTHER PUBLICATIONS

---

Martin, A., **Cardwell, J.**, Mundt, J., Kramer, R., & Beckham, T. (2020). Climate justice. In *North Carolina Climate Risk Assessment and Resilience Plan* (Chapter 4). State of North Carolina.

## SUBMITTED PAPERS

---

### CONFERENCES AND TALKS

---

#### 2024

Konrad, C., **Cardwell, J.**, & Fuhrmann, C. The development of an impacts-based high wind climatology that is tailored to social vulnerability, presented at Southern Appalachian Weather and Climate Workshop III, Roanoke, VA.

Sheridan, S., Kalkstein, A., Fuhrmann, C., Silva, A., **Cardwell, J.**, & Konrad, C. Assessing the Wet-Bulb Globe Temperature as a predictor of overall mortality in summer, presented at American Association of Geographers, Honolulu, HI.

Brooks, C. D., & **Cardwell, J.** Poop in the air, should we care? Estimating the educational impacts of hog farm pollution in North Carolina, presented at the annual meeting of the Association of Education Finance and Policy, Baltimore, MD.

**Cardwell, J.** Weather-related Impacts to Local Travel in North Carolina, presented at American Association of Geographers, Virtual.

#### 2023

Brooks, C. D., & **Cardwell, J.** Poop in the air, should we care? Estimating the educational impacts of hog farm pollution in North Carolina, presented at the annual meeting of the Association of Public Policy Analysis & Management, Atlanta, GA.

**Cardwell, J.** Methods to Analyze Disruption of EMS Service During Flood Scenarios, presented at American Association of Geographers, Denver, CO.

**Cardwell, J.** Exploring the Impacts of Weather-Related Road Closures in North Carolina, presented at Highway Safety Research Center, Chapel Hill, NC.

**Cardwell, J.** Impacts to Local Travel During Weather-Related Road Closures in North Carolina, presented at Southeastern Division of the American Association of Geographers, Norfolk, VA.

Brooks, C. D., & **Cardwell, J.** Poop in the air, should we care? Estimating the educational impacts of hog farm pollution in North Carolina, presented at the annual meeting of the Association of Education Finance and Policy, Denver, CO.

#### 2022

**Cardwell, J.** Analyzing Recovery Aid Concentration in North Carolina Following Hurricane Florence, presented at American Association of Geographers, Virtual.

#### 2021

**Cardwell, J.** Trends in NFIP (National Flood Insurance Program) Participation after Major Hurricanes in North Carolina, presented at Annual Meeting of the North Carolina Geographical Society, Virtual.

## AWARDS AND HONORS

---

|                                                                   |      |
|-------------------------------------------------------------------|------|
| Graduate Research Fellowship Program, National Science Foundation | 2022 |
| Honorable Mention                                                 |      |

|                                  |      |
|----------------------------------|------|
| Phi Beta Kappa, Davidson College | 2019 |
|----------------------------------|------|

## GRANTS, FUNDING, AND FELLOWSHIPS

---

|                                                                |                  |
|----------------------------------------------------------------|------------------|
| <b>Summer Research Grant, UNC Chapel Hill , \$1,500</b>        | <i>2021</i>      |
| <b>Graduate Merit Fellow, UNC Chapel Hill, \$20,000</b>        | <i>2020-2021</i> |
| <b>Weiss Urban Livability Fellow, UNC Chapel Hill, \$4,000</b> | <i>2020-2021</i> |

## PEDAGOGICAL TRAINING

---

|                                                                      |                            |
|----------------------------------------------------------------------|----------------------------|
| Associate Level, Center for the Integration of Teaching and Learning | <i>Spring 2024-Present</i> |
| Introduction to Evidence-Based Undergraduate STEM Teaching           | <i>Jun-Aug 2024</i>        |
| UNC Institute on College Teaching                                    | <i>Aug 2024</i>            |

## DIVERSITY AND INCLUSION TRAINING

---

|                                      |                 |
|--------------------------------------|-----------------|
| UNC Digital Accessibility Training   | <i>May 2024</i> |
| SafeZone (LGBTQ+ Awareness Training) | <i>May 2024</i> |
| Mental Health First Aid Training     | <i>Aug 2024</i> |

## SKILLS

---

**Languages:** R, Python, VB.NET, JavaScript, Stata  
**Technologies:** ArcGIS Pro, ArcMap, ArcGIS Online, QGIS, Google Earth Engine, SPSS, ENVI, cluster computing

## UNIVERSITY SERVICE

---

|                                                        |                  |
|--------------------------------------------------------|------------------|
| <b>Advisor</b> , GISc Minor                            | <i>2025-2026</i> |
| <b>Faculty Member</b> , Geospatial BS Degree Committee | <i>2025-2026</i> |
| <b>Faculty Member</b> , GISc Certificate Committee     | <i>2025-2026</i> |
| <b>Faculty Member</b> , Undergraduate Committee        | <i>2025-2026</i> |
| <b>Advisor</b> , Environmental Justice Minor           | <i>2025-2026</i> |
